LET US BE.. THE HANDS AND FEET OF JESUS.

"The Space Coast Basket Brigade is fun family event where volunteers come together to package, decorate & personally deliver Thanksgiving baskets to families in need in our community." - Basket Brigade

However, they also have other outreach opportunities arise, an example being their annual Spring Fest that allows children and families who would normally never have the opportunity to attend an event such as this, attend and enjoy the fun-filled festival!

"Brevard County Schools provide a free breakfast and lunch during the week. For some students, Friday lunch is their last regular meal until the following Monday. The Children's Hunger Project provides weekend meals to ensure children are not coming to school hungry. On the front lines of caring for our children during the week, teachers and school administrators are acutely aware of the weekend hunger crisis. When the teachers say their goodbyes on Fridays, they know which pupils will not have enough nutrition over the weekend, and which kids will be ill-prepared to learn on Monday morning."
