New Life Mission's Annual Community Care & Share 2024

April 18 & 19, 2024

This annual fundraising event generates one-third of the annual operating budget for New Life Mission, which allows us to serve even more homeless women with children.

Ways to get involved:

- Host a table at no charge to introduce more people to this transformational program
 - There is no cost to host a table! Simply select 9 people to come learn more about New Life Mission.
- Or, simply attend the luncheon with your friends!

For more information, email CCS@NewLife-Mission.org or scan here:

Not able to participate in this event - but still want to help?

Cross Bridge Church will be collecting items in need to support New Life Mission. Items needed most are:

Pullups (4t & 5t boys and girls), Huggies/Pampers diapers (size 5 & 6), Baby food/snacks, and Child friendly snacks.

Items can be delivered directly to New Life Mission (contact them via their email above for drop-off instructions) OR items may be dropped off during Cross Bridge's Food Truck Event on April 21st in the Student Center's café - hope to see you there!
