REFUGE  FREEDOM

## OUR MISSION

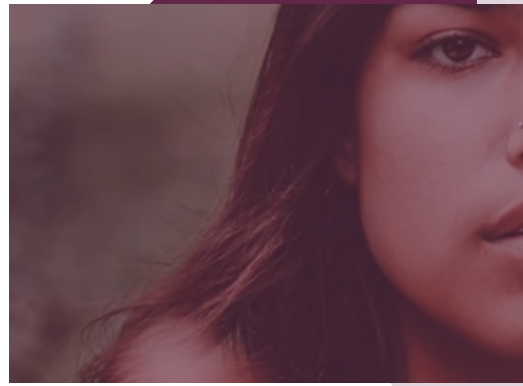

Life Recaptured offers women who are trapped in sexual exploitation a way to refuge and freedom. Working with the community, we strive to eradicate sex trafficking through awareness, prevention, and restoration.

We offer a complete approach to bringing solutions to end sex trafficking and heal survivors through physical and mental health care, case management, spiritual guidance, and mentorship.

## OUR VISION

Through the teaching of God's words and love, we are committed to end the epidemic of sex slavery and oppression.

Life Recaptured provides a safe and compassionate haven where women can find healing, education, and empowerment to take back their lives.

## *Life Recaptured's* CONNECTIONS CAFE

At Connections Cafe, we believe in the recapturing of life for those that have been rescued from human trafficking!

The cafe will serve wonderful breakfasts, craft lunches, and delightful desserts all with the sole purpose of raising funds to fully support the efforts that are already underway by Life Recaptured Inc.

We are taking the opportunity to share with our community how you can help become part of the solution to the horrific problem that is facing all humans locally and globally.

When you visit the cafe, expect a warm welcome, a kind smile and a delicious meal and the confidence in knowing that you are part of the solution that we are working towards!
